circumstances may we write to Bombay

The following is an extract from a private letter I received yesterday from Mr Galletti:-

" I believe Swiss governesses are your department. My wife has just had a letter dated 23/6 from one she was getting out for the children. The girl says she has just been to Berne and the British consul says the Govt of India has refused her permission to land. Is this some mistake or did Govt really say she was not wanted? "

I submit this for orders as to the reply I should send to Mr Galletti. I cannot very well say that I know nothing about it, as when Mrs Galletti came to see the C.S. about the case I was sent for as knowing all about the papers.

W.

The file about the governess is put up below. I might perhaps reply that I understand that permission was not recommended because the Govt understood that Mrs Galletti did not know much about the individual and was not particularly keen on having her out owing to the delay which had taken place and to the fact that the governess knew very little French.

22.7.19
Mr Galletti may be informed, I think, that the Madras Govt. recommended that the Swiss governess should not be allowed to come to India

22.7.19
agreed

HM Yes - no details. If Mr Galletti wants them, he must ask Govt. not Mr Galletti. *LD.* Answered accordingly. *23.7.19*
