Reg: 5.8.19

To

The Chief Secretary to Government,

From

The Rev. K. Lamperrien, D.D.,
"Rosetta," Kodaikanal, Madura Distr.

Sir,

I have the honour to lay before you the following petition for our benign Government's kind consideration and favorable disposal:

1. When the Germans residing in India in 1915 received orders for repatriation I was kindly exempted with Mrs. Lamperrien by Government on account of failing health on the strong recommendation of Dr. A. S. Wilson, Kodaikanal.

2. As war is now over and the peace treaty signed

signed and as I feel strong enough to venture a voyage to Germany I respectfully request Government kindly to permit me to return home as soon as I am able to find a passage in a convenient steamer, — I hope sometime in Spring 1920, — and kindly to grant Mrs. Pamperrien and myself the necessary passports. We both arrived in October 1877 and the father of Mrs. Pamperrien, the Rev. W. H. G. Herre, came to India in connection with the Basel Evangelical Mission in 1857 and ever since our family has been working uninterruptedly in the Indian Mission field.

3. Should my above petition kindly be granted by Government, I should be very grateful to get permission to sell my house "Rosetta" at Kodaikanal to Dr. F. Kugelberg of the Church of Sweden Mission at Tirupatur. "Rosetta" was declared to be my private property and accepted as such by the Custodian of Enemy Property at Madras some years ago and is valued at Rup. 10,000 with the land be-

Mrs. Powers and Mr. and Mrs. Pamperrien :-

4. Please see pages 7, 7(a) and 12 infra and pages 1 and 6 to 11 C.F. The Collector of Madura states that the conduct and character of Mrs. Powers are excellent and she is not anti-British in sentiment. For orders whether she may be recommended for exemption from repatriation. As regards Mr. and Mrs. Pamperrien, it is reported that they are very anti-British in sentiment. As Mr. Pamperrien himself wishes now to go back to Germany with his wife it is submitted that we may recommend to the Govt. of India that they may be repatriated as the general policy is that every German and Austrian in India should ordinarily repatriated. With reference to his request to allow him to sell his house in Kodaikanal to one Dr. Kugelberg it is submitted that there seems to be no objection. However, the Revenue (Spl.) may be consulted as the case will fall under Enemy Trading.
