Sir,

I have the honour to inform you that Rev. E. Brutzer who, by G.O. No. 581 dated 28th March 1916, was permitted to continue his work as Supervisor of Accounts when the Leipzig Evangelical Lutheran Mission was transferred to the Church of Sweden Mission, and as President and Treasurer of the Provident Fund, is going to leave India about the 9th of next month. Hence I beg to submit the following proposals for arranging the work carried on by him:

1. All the documents in his custody, such as sale-deeds of immoveable properties in Madras should be handed over to the Rev. W. Weston, M.A., B.D., Professor of the Christian College, Madras, who has kindly consented to this and the following proposals as far they imply his assistance;
2. Government Pro-motes of various funds the numbers of which are published in the Government Gazette of the 3rd June 1919 and standing in the names of Rev. Messrs. E. Brutzer and R. Hoffmann or survivors and kept in the safe custody of the Bank of Madras, should be transferred to the Rev. W. Weston and administered, according to his instruction, by the Bank of Madras who holds the power of attorney.

3. The receipts of the fixed deposits in the National Bank of India, Limited, and standing in the name of Rev. E. Brutzer as Treasurer of the Tamil Evangelical Lutheran Church should be handed over to the Rev. W. Weston and managed for the benefit of the said Church.

4. The immoveable properties at Madras which by Government license (G.O. No. 369 dated 28th February 1916) were transferred to the Church of Sweden Mission should, under the supervision of the Rev. W. Weston, be managed by Mr. M.A. Vedanayakam, B.A., L.T., Headmaster, Fabricius Lower Secondary School, Purasawalkam, Madras.

5. As regards the above mentioned Provident Fund the Church of Sweden Mission Council has waived its right to appoint the President and Treasurer of the Fund in favour of the corporation of subscribers to that fund which is a purely Indian concern - registered according to the Government Insurance and Provident Fund Act of 1912. The fund has no connection with the Mission as such. Its present Treasurer is the above mentioned Mr. M.A. Vedanayakam and the President is to be elected at the next meeting of the subscribers.

6. The supervision of accounts in general of the Tamil Evangelical Lutheran Church should be handed over to Mr. M. D. Manickam, B.A., L.T., Headmaster of our Mission High School, Shiyali, the Treasury being in charge of Miss A. Holm, Tranquebar (from next month her address will be Trichinopoly) who is the Treasurer of the Church of Sweden Mission.

I request you to be so good as to inform me whether there would be any objection to the above proposals. As the arrangements must be completed before the departure of Rev. E. Brutzer

Sir,

With reference to Memorandum No. 3162 W-2, dated  
the 27th August 1919, Revenue (Special) Department,  
I have the honor to state that I have seen Rev. Mr.  
Weston with reference to the letter from the Rev. Dr.  
E. Heuman, dated the 19th August 1919. Mr. Weston  
approves generally of all the proposals mentioned  
in that letter, and in particular, he states that  
with reference to paragraph 4, Mr. M.A. Vedanayakam  
is reliable and that the immovable properties referred

to in that paragraph can, in Mr. Meston's opinion, be safely entrusted to his management.

2. With reference to paragraph 5 of the letter, Mr. Meston states that the matters therein mentioned can be administered by the Church, and have nothing to do with the foreign mission.

3. With reference to paragraph 6, Mr. Meston states that Mr. M.D. Manickam is known to him and is reliable. Miss A. Holm is not known to Mr. Meston, and therefore, he can make no statement with regard to her as Treasurer.

4. There appear to be no objections, therefore, to the proposals put forward by the Rev. Dr. E. Heuman in the letter under consideration.

I have the honor to be, Sir,

Your most obedient servant,

J. Channer

Ag. Custodian of Enemy Property, Madras.

Since the arrangement  
sanctioned in go N 581 & 28-3-16 was  
prior to the vesting of the properties in the  
Custodian of Enemy Property, it is submitted  
that it should cease to have its validity  
when the properties have been vested in the  
Custodian. Any proposal which Dr. Heuman makes  
as regards the supervision of the accounts  
after the departure of Mr. Brutzet should  
therefore be made to the Custodian  
who is now ~~at~~ virtually the owner  
of the properties vested in him with powers  
of sale, management etc.
