Sir,

I have the honour to submit the following
for the orders of Government.

2. In G.O.No.343, Rev. (Special-War) Department dated 25-7-1919 the Government sanctioned the deputation of a Sub Inspector of Police and one Sub Inspector of Salt to assist Lt. R. H. Hitchcock in recruiting work in this district. Lt. Hitchcock strongly recommends that both the Sub Inspectors should be given deputation allowance (Sec.81, C.S.R.) while on recruiting duty and I as strongly support his recommendation. Both the Sub Inspectors M. Narayana Menon and Sankunni Menon had much harder work and greater responsibility as recruiting officers than they would have had, had they been doing their ordinary work, and although I reported to Government that the only necessary expenditure was acting allowance for their substitutes, I am of opinion that their increased work and responsibility deserves special recognition and that the most suitable reward is a deputation allowance..

I have the honour to be,

Sir,

Your most obedient servant,

Subd for orders whether in the circumstances stated, this dept. may support the recommendation made by the Collector of Malabar. It is likely that the military will bear the whole charges on account of the staff placed under Lt. Hitchcock in connection with recruiting. The question is now under the consideration of the Govt. of India and a reply is expected shortly - vide p 13 CF in linked file.

This department has already agreed to meet from Provincial funds the charges on account of the deputation of the two Sub-Inspectors referred to by the Collector of Malabar in his present letter. Vide b. S's note d. 22.7.19 at page 9 of G.O. 343, Rev (Spl.), d. 25.7.19. In view of the Collector's recommendation at K (page 10.7), submitted that his proposal to grant them a deputation allowance of one-fifth of their salary may also be accepted, the charges being met from Provincial. From the notes on page 1 ante, it is seen that the charges on account of the staff placed under Lieut. Hitchcock ^(in connection with security) are likely to be borne entirely by the Military dept.
