PUBLIC (Miscellaneous) Simla, the 19th September 1919.

Sir,

With reference to your letter No. 5296-W, dated the 28th August 1909, I am directed to say that the Government of India authorize the grant of destitute allowances to persons confined in Civil Detention Camps who were not members or employees of hostile firms prior to their internment and who are without private means. Any expenditure which may be incurred in the grant of allowances to such persons should be debited to the Imperial minor head "Payments arising out of the war adjusted in the civil Department", subordinate to the major head "32-Miscellaneous".

I have the honour to be, Sir, in accordance with the views and intention of the Government of India.

It is not, however, Your most obedient servant,

Sd/- A. Macleod. necessary modifications" is sufficiently explicit to bring the grant of such allowances within the terms of the orders contained in the Army Department's letter above quoted.

Under Secretary to the Government of India The Government of Bombay would therefore be glad to receive No. 1088

A copy, with a copy of the letter to which it is a reply, is forwarded to the Government of Madras, for information, in continuation of the Home Department letter No. 1008, dated the 30th September 1918.

By order,

A. Macleod.

Under Secretary to the Government of India.

Copy of a letter from the Secretary to the Government of Bombay, Political Department, to the Secretary to the Government of India, ^{Army}~~Home~~ Department, No.5296-W, dated the 28th August 1919.

I am directed to invite a reference to Army Department letter No.10013, dated the 26th July 1918, conveying general rules governing the payment of destitute allowances to persons of Austro-Hungarian or German nationality connected with hostile firms and interned in the prisoners of war camp at Ahmednagar. These rules were, in accordance with the instructions conveyed in Home Department letter No.1008, dated the 30th September 1918, made applicable by the Government of Bombay "with necessary modifications" to the detenus interned in the civil camps in this Presidency.

2. The Government of Bombay have adopted the practice of giving destitute allowances to certain detenus who were not connected with any hostile firms and who were without private means. They consider that this practice, which was obviously necessary on grounds of humanity and in pursuance of the policy of the British Government of maintaining a high standard for the treatment of interned enemy subjects, is in accordance with the views and intentions of the Government of India. It is not, however, clear that the phrase "with necessary modifications" is sufficiently explicit to bring the grant of such allowances within the terms of the orders contained in the Army Department's letter above quoted. The Government of Bombay would therefore be glad to receive the express authority of the Government of India for the action taken in this respect.
