Draft order.

Whereas by notification No.4126, dated the 1st June 1918 of the Government of India in the Department of Commerce and Industry the Governor General in Council in exercise of the power conferred by section ~~7~~ 12 of the Enemy Trading Act, 1916, has declared that the powers conferred by section 7 of the said Act shall extend to the property moveable or immovable of the Hermansburg Evangelical Lutheran Mission, Madras, and of others:

Now therefore the Governor General in Council in pursuance of the powers conferred by section 7 of the said Act is pleased to declare that the property specified in the schedule ~~hereto~~ hereto annexed shall vest in the Custodian of Enemy Property, Madras, being a Custodian appointed under the Enemy Trading Act 1915, and to confer upon the said Custodian full and absolute power of selling managing and otherwise dealing with the same ~~property~~.

Schedule.

Dry Land in Kurugonda, Gudur Taluk, Nellore District, measuring 30.26 acres bearing S. No.278 B.

Ag. Custodian of Enemy Property, Madras.

Copy of letter Ref.No.2774/Magl. dated 13th January 1919
from the District Magistrate, Nellore, to the Custodian of Enemy
Property, Madras.

I have the honor to report for favour of such action as you
may deem fit, the following case under the Enemy Trading Act No.X of
1916.

2. ~~NS~~:No.278 B. of Kurugonda, Gudur Taluk, measuring 30.26 acres of
dry land was applied for on darkhast about 20 years ago which was
granted ~~XXXX~~ and a patta issued in the name of Rev. H.Herms, the then
Secretary of H.E.L.Mission, Gudur. It would appear that the registry
of patta in the name of the then secretary was only nominal and
that the petitioners, Kavali Joseph and 8 others of Kurugonda have
been in ~~enjoyment~~ the enjoyment of the land ever since.

3. In December 1915 Mr. Scriba Ag.Secretary to the H.E.L.Mission
executed a registered cowle for 10 years in favour of Mummareddi
Vararaghavareddi of Kurugonda, who prevented petitioners from
entering on the land and cultivating it. It is urged by them
that they have been in the enjoyment of the land ever since it
was granted and that half the produce was being enjoyed by them
and the other half paid to the Missionary partly as a set off for the
advance for seeds and assessment made by him and partly to the credit
of the amount due by them to the Mission. It is contended by the
Missionary that the property is vested in the Mission itself and as
such it is liable to be dealt with under the Enemy Trading Act and
sold in due course. The petitioners claim the land as theirs and
request the change of registry of patta in their favour saying that
the land should not be brought under the provisions of the act.

4. I request orders. It does not appear to me a case falling
under 7 of the Act.

5. The petitions with enclosures are herewith forwarded for favour
of reference and return.

from the Custodian of Enemy Property to the District Magistrate,

I have the honor to acknowledge receipt of your letter Ref.
No. 2774/Magl. dated 13th inst. with enclosure.

Under the circumstances stated in your letter I am of opinion
that the land referred to therein belongs to the Mission. Please
be good enough to give me full details (namely) boundaries etc.
of the land referred to by you to enable me to apply to Government
for an order to vest the land at an early date.

Sir,

(11)
I am directed to invite
a reference to the notification
No. 3350 D 22.5.19 of the Govt of
India in the Dept of Commerce
and Industry vesting the pro-
perties of the Hermannsburg Evan-
gelical Lutheran mission in the
Madras Presidency in the Custo-
dian of Enemy Property, Madras.
It has been brought to the
notice of the Madras Govt that
a plot of dry land situated in the
Gundut Taluk of the Nellore Dt
belonging to the above mission
has not been included in the
vesting order quoted above.

2. About 20 years ago the land
in question was granted on
darhast and patta issued in

the name of the then Secy of the
Hermannsburg mission. It is represented
that the registry of the title in the
name of the Secy was only nominal
and that certain persons have been
in enjoyment of the land ever since.
These occupants now claim the
land as theirs and request the
change of the registry of title in
their favour stating that the land
should not be brought under the
provisions of the Enemy Trading Act 1846.
By the Custodian of Enemy Property,
Madras, however, considers that the
property should be vested in him under
a fresh vesting order.
The Madras Govt. considers that ~~it is~~ ^{it is} not clear regarding
~~the property in question may perhaps~~
~~be vested in the Custodian without~~
the necessity of a fresh vesting order
^{in view of} the saving clause to the
original vesting notification
relating to the vesting of the properties
of the Hermannsburg Evangelical Lutheran
mission. In order, however, to avoid
possible claims in the future from
the petitioners they agree with the
Custodian of Enemy Property, Madras
and accordingly forward for

approval of draft vesting
order in respect of the pro-
perties

(Subject - Enemy Property)

As the property in question, belongs to the Hermannsburg Evangelical Lutheran mission Madras, it is submitted that no separate vesting order, vesting this particular property in the Custodian of Enemy Property, Madras seems necessary. All that seems necessary is to ask the Collector to include this property also in the revised schedules which he has already sent.

For orders.
