Sir,

In reply to your letter No. 5529-W, dated the 5th September 1919, I am directed to say that section 4 of the Hostile Foreigners (Repatriation) Order does not authorize a repatriated foreigner to take out of British India resources up to the value of Rs. 1,500 unless such resources are his own property. A repatriated foreigner who owns such resources cannot transfer them to any person except in accordance with the provisions of section 3 of the said Order. The head of a family who owns resources should not be permitted to transfer portions of them to other adult members of his family in order that the total amount removed from British India by the family may exceed the prescribed maximum.

I have the honour to be,

Sir,
Your most obedient servant,

Ed. F. J. Nobes

Additional Under Secretary to the Government of India.
