regarding leaves.
Put up 50. Mr. Davis
saying that we will
know as soon as possible.
about leaves. As to
the decision made with the G.P.
we are now going through the whole
list one more time. It seems probable
that refutation will be
except in a few exceptional
cases.

My dear Campbell
3010 The leaves of most
of the houses taken for
prisoners of war in Yunnan
will expire on the 30th Sept.
And it will be advisable
to give some notice to the owners
as to whether we wish to
take them on or not.
Could you therefore let me know
confidentially as early as
possible what arrangements

Government desires to be made.
In this connection I would
suggest the advisability of
as early a decision as possible
on the case of those who have
applied not to be repatriated.
Uncertainty in this respect is
bound to create ~~more~~ and
more discontent in the camp as
time goes on since the signing of
peace; and as there are some
in the camp who will presumably
be allowed to remain in India
under any circumstances (e.g. those
who have sons serving in the British
Army) there can be no great
objection in retaining them in
confinement at Yenan.
Yours sincerely
Eric Davis
