 Sir

With reference to your Memo-
 randum No. 248. of the 15th July, I
 have the honour to state that my
 request to be permitted, to have my
 son transferred from Ahmednagar
 to Jorcad, has been made quite
 independent of the question of
 repatriation. My feeble state of
 health makes it most desirable to
 have him here, to nurse me to
 some extent. When orders for
 repatriation are once received, it
 appears to me that then any
 transfer will be of little avail
 on account of the shortage of time

I would like to adduce as reasons, why my application might be granted, that I have served in the Volunteers Force in this Country for 20 years, and that I have been mentioned by my Captain now General Davis J.P.S. With reference to the inconcluding paragraph of the above quoted letter I beg to state, that since December seven months have passed and that in the meantime peace has been declared which I venture to believe might well necessitate a reconsidering of the reply then given.

I have the honour to be
Sir

Your most obedient Servant

Carl Ziegenspeck

(with C. D. M. H. E.)

Sir,
I am directed to forward a copy of a petition dated the 4th August 1919 from Mr. Carl Fignoppek Koehel, a German prisoner of war interned in the civil camp at Yercaud, praying that his son may be transferred from Ahmednagar to Yercaud. The petitioner made similar requests on two previous occasions but he was then informed that his request would be considered when orders regarding repatriation were received from the Govt. of India. Now that peace has been signed and repatriation is in sight, the Govt. in Council sees no objection to the prisoner being joined by his

5
son at Yercaud. I am accordingly directed to request that the Govt of India may be pleased to sanction the transfer of the son from Ahmednagar to Yercaud as a special case.

Sir,

2. I am to say that the Government of India are of opinion that, since repatriation cannot be long delayed, it is preferable to maintain the present policy of internment of prisoners of war of military age at Ahmednagar, and of only consenting to their transfer to a civil detention camp for medical reasons or to enable them to join their wives under certain conditions. It is therefore considered that the application submitted by C. Ziegenspeck should not be acceded to.

Sir,

I am directed to refer to your letter No. 2323-W, dated the 20th August 1919, to the address of the Secretary to the Government of India, Home Department, relative to a request made by G. Niegensbeck, a civil detainee at Yercaud, that his son H. A. Niegensbeck, a prisoner of war at Ahmednagar, may be transferred to the Civil Detention Camp at Yercaud. The Government of Madras see no objection to the transfer now that peace has been signed and repatriation is in sight. I am to say that the Government of India are of opinion that, since repatriation cannot be long delayed, it is preferable to maintain the present policy of internment prisoners of war of military age at Ahmednagar, and of only consenting to their transfer to a civil detention camp for medical reasons or to enable them to join their wives under certain conditions. [Letter No. 2928 W-1 D) 20-8-19]

From the Supdt., Yercaud Camp, No 643/27 26-8-19
There are two prisoners at Yercaud -
(1) Carl Ziegenspeck and (2) Carl Fignapack
Kochel - both of whom have sons interned
at Ahmadnagar. The petition at pages 1-2 cf.
is from No (1), but in the letter to the Govt.

of India forwarding the petition (M. 4-5 C.F.)
the name of No. (2) was entered under
the erroneous impression that both were
one and the same person. This mistake
has to be corrected now and the
draft telegram put up is for
approval.
