Earl Curzon of Kedleston presents his compliments to the Danish Minister and with reference to his memorandum No. 290/II.2 of the 24th ultimo, enquiring whether the Danish missionary Simon Mettinus Albrechtsen could be premitted to return to India, has the honour to request that, for the purpose of consideration of the case, His Lordship may be furnished, for communication to the Secretary of State for India, with particulars of the Missionary Body for which Monsieur Albrechtsen works and his station in India.

Lord Curzon ventures to add that if Monsieur Albrechtsen is in Denmark his application should in strictness have been made through His Majesty's Legation at Copenhagen, in accordance with the procedure of which the Danish Government were informed in 1916. As he is returning to India after furlough particulars on the points mentioned above will however probably suffice to enable the Government of India to make a decision.
