Sir,

With reference to para 3 of Government order No.164 Rev Spl-War, dated 11th April 1919, I have the honour to submit the following report on the activities of the District Soldiers' Committee for the period June- July 1920.

3. Grant of land to sepoys. 38 applications were pending at the beginning of the month and 4 have been -- received during the month bringing up the total to 42. Out of these, 6 have been disposed of during the month as

77

follows:-

In two cases the applicants were asked to submit their applications through their Commanding officers, in another the applicant, a widow of the deceased sepoy was asked to select some land in her own village and apply for it. Two applications were rejected for the reason that the lands applied for were porombokes whose assignment was objectionable. One application was returned to the applicant as the village in which he applied for land did not belong to this district. Of the remaining 36 applications that are pending some are for portions of tank bed lands and some are from discharged Labourers and sepoys who are not eligible for darkhast concessions under G.O.No.3646 Rev Spl dated 17th November 1917. The matter of assigning tank bed lands to these men requires the orders of the Board and the question of making a reference to the Board is under consideration.

4. Employment to Ex army men. 13 applications were pending at the beginning of the month and 7 have been received during the month, the total number for disposal being twenty. Out of these 5 have been disposed of during the month. The applicant in one case was appointed as an attender in my office, one application was forwarded to the Tahsildar for disposal, two were sent to the Inspector of Salt, Abkari department, Cuddapah circle, -- with recommendation for appointment in offices under him and one was rejected for the reason that the applicant wanted not himself but his father to be appointed as a peon.

Out of the remaining 15 applications which are pending 3 have been referred to the Divisional officer, Rajampet and 3 to Divisional officer, Rayachoti inquiring if the applicants could be provided with peons' post in their offices; 2 to District Superintendent of Police, Cuddapah in respect of Police constable's posts, 1 to District Forest officer, South Cuddapah for the appointment of forest guard and their reports are awaited. The remaining 6 are under

78

correspondence.

5. Educational concessions to children.

Certificates for educational concessions have been granted in two cases till now, one to the son of the sepoy deceased Ghouse Khan of Chinna mandem, another one to the sister of a wounded sepoy of Pulivendla. No fresh applications have been received, during this month.

6. No applications have been received from disabled sepoys for admission into W Queen Mary's Technical Institute, Bombay.

7. No cases of any landed proprietor in the district having granted any concessions to his tenants who served in the war, have come to my notice.

8. Post Bellum relief. The District Soldier's Committee decided to grant relief in 3 more cases to an amount of Rs.750. The Government have been addressed for sanctioning the above sum from the Imperial Indian Relief Fund. Orders are awaited.

9. One discharged labourer and the father of another serving sepoy having complained that they have not received remittances, the former on account of his arrears of salary and the latter from his son, the Commandants have been addressed in the matter.

The Indian Soldiers Board have intimated that in future quarterly instead of monthly reports may be sent to them. In G.O.No.296 dated 9-10-20 Collectors and Presidents of the District Soldiers' Committee have been informed that they need only to send quarterly reports.

2. The C.F. contains reports submitted by Collectors and Presidents of District Soldiers' Board for the months beginning from July to September 1920. From a perusal of the reports it will be seen that there has not been any very special activities of the District Soldiers' Committees during the three months. In several districts no meetings of the District Soldiers Committees have been held. The Collector of Kurnool reports that at the last meeting of the District Soldiers' Committee held on 28-8-20, it was decided that the Committee might cease to exist leaving any cases that may occur to be dealt with by him as Collector. It is however observed that the interest evinced by District officers on behalf of soldiers is being kept up.

ENCLOSURE

SUMMARY.

Employment for discharged soldiers.—The reports received from Collectors of districts do not disclose any very special activities on the part of District Soldiers' Committees. In several districts no meetings of the Committees have been held and it is reported from one district that it has been decided that the Committee might now cease to exist leaving any cases that may occur to be dealt with by the Collector. It is however satisfactory to note from the reports that the interest evinced by District officers in finding employment for discharged soldiers, making land grants and giving educational concessions is being kept up.

Post Bellum Relief.—The Imperial Indian Relief Fund were requested to make an additional allotment of Rs. 89,000 for distribution of temporary relief among pending cases. In their letter No. 2614-I.S.B., dated 30th September 1920, they have authorized the Honorary Treasurer to place that amount at the disposal of the Madras Government. Orders regarding its distribution among several districts will be issued soon.
