Dear Mr. Reilly,

I should like to apply for a special permit from the Government of Madras to return to India for Missionary work according to instructions received from the American Consul. I suppose that you are the "Collector of my District" since my stay of a month in Kodaikanal is the longest stay that I have made in any place in India this time travelling around as I have been with the Commission on Village Education. When I was in India before from October 1915 to April 1917, I was at Vellore N.A., being Vice-Principal of Voorhees College.

I do not expect to return to India until 1922, when I hope to be under the American Arcot Mission as before. If it is necessary to fill out some forms, will you be so good as to send them to me. I have in my possession permission from the British Embassy in Washington to be in India this time, it having never been called for by the authorities.

Sincerely yours,
(Signed) Mason Olcott.
