Sir,

Dated
28.5.20.

With reference to your memorandum of the 27th October last, No.144336/345T, I am directed to forward, for the information of Earl Curzon of Kedleston, copy of a telegram from the Government of India regarding the Rev.E.H.J.Mueller, naturalised British subject in India, of German origin, who desires to return to India for missionary work.

Mr.Montagu concurs in the views expressed in the Government of India's telegram and would be glad, should Earl Curzon see no objection, if His Majesty's Ambassador at Washington could be instructed to inform Mr.Mueller that the Secretary of State for India regrets that after consulting the authorities in India he is unable to accord him permission to return to resume his missionary work in India. It might be added that in the case of naturalised British subjects returning to India the Indian authorities are in certain circumstances called on to consider whether their certificates
