OFFICE OF THE Collector,

From
M.R. Ry., Rao Bahadur T. Raghavayya Pantulu Garu B.A.,
Collector of Anantapur.

To

The Secretary to the Madras Soldiers' Board,
M a d r a s.

Sir,

So
With reference to Government Memorandum No. 164
Revenue (Special) Department dated 11th April 1919
calling for a monthly report about the activities of
the District Soldiers' Committee, I have the honour to
report that four applications for land were disposed of
during the month with the result that, in one case,
wet land measuring 5 acres was assigned to the applicant
and that in the remaining 3 cases, the applicants were
asked to select other suitable lands, as those applied for
were found to be required for public purposes.

Only one application for employment was received and
forwarded to the Tahsildar of Dharmavaram who appointed
the applicant as a peon in his office.

From the enquiries made in the villages I was made
to understand that the families of 3 soldiers serving
abroad were in destitute condition and I have arranged to
grant them temporary relief.

Five statements appended to Government letter No. 52
dated 2-2-20 to the Indian Soldiers' Board are enclosed.
I have the honour to be,

Sir,
Your most obedient servant,

I have the honour to submit my report on the working of the District Soldiers Committee for April 1920.

2. Since the last report two cases have been brought to my notice. One is the question of finding an employment for a maimed soldier. This soldier was advised to take a course of training in the Queen Mary's Technical Institute, Bombay. But he prefers to be employed at once in some work which he can do in a public office. I am trying to find an employment suited to his physical condition.

The other is an application from one Amena Bi who

represents

represents that her son died at Basra and that she may be given a family pension. I have forwarded her application for investigation to the Officer Commanding No. 3 Escort Bullock Corps, Bannu where the deceased recruit was last working.

DESPATCHED

19 MAY 1920

To The Secretary to the Government of Madras,

Revenue Special (War) Department.

Sir,

With reference to para 3 of G.O. No. 164 Revenue Special War, dated 11th April 1919, I have the honour to submit the following report on the activities of the District Soldiers' Committee for the period April-May 1920.

2. District Record of War Services:

Registers of serving, discharged and deceased sepoys are maintained in all taluks.

3. Grant of land to sepoys:

13 applications have been received during the period

period under report bringing the total to 106. Two applications ~~one~~ for a Railway, C class land and another for tank bed land have been rejected. In two cases the applicants were asked to apply to the Collector of Kurnool District to which they belong. In another case the applicant was asked to select some unobjectionable land available for assignment. The total number disposed of up to date is 62, (rejected in 54 cases and land assigned in 8 cases). 43 are pending.

4. Employment of Ex-army men:

7 applications for appointments have been received during the month. The total received up to date is 57. One sepoy has been appointed as a Forest Guard on Rs. 10/- and one was appointed as a Dalayat in my office. The total number of ex-army men provided with employment up to date is 20. 10 applications were rejected for different reasons such as not being available for employment having rejoined the army after putting in applications, being considered unsuitable for employment etc. Out of two applications referred to the District Forest officer, North Cuddapah, for appointments, one was disposed of by providing the applicant with the post of a Forest Guard. The other is still pending with him. Four applications for appointment as Police Constables were referred to the District Superintendent of Police, Cuddapah, and one to the Divisional officer, Royachoti, for peon's post. In two cases the applicants were asked to submit their discharge certificates and in another case the applicant has been asked to state if he is willing to accept a Dalayat's post in my office. The applicant that was recommended to the Inspector of Salt and Abkari Department, Cuddapah circle, is reported not to have turned up before him, having secured some private employment. The application of the wounded sepoy for a clerk's post in the Post Master General's office is awaiting disposal by the Superintendent of Post Offices, Nellore Division. 6 ex-army men have been proposed for employment as Taluk peons. The remaining applications are under correspondence.

5. Educational concessions to children:

In

In one of the two cases in which the concessions have been sought for, the necessary certificate was granted to the sister of the wounded sepoy and in the other, information regarding the date and nature of discharge of the deceased sepoy has been called for from the Commanding Officer. His reply is awaited.

6. No applications have been received from disabled sepoys for admission into Queen Mary's Technical Institute, Bombay.

7. No cases of any landed proprietor in the district having granted any concessions to his tenants who served in the War, have come to notice.

8. Grant of Post Bellum Relief:

There are at present three cases deserving grant of aid from the Imperial Indian Relief Fund. After it is decided at the meeting of the Soldiers' Committee under which class the cases may be taken, Government will be addressed for sanction of funds.

9. Five applications of discharged Porters of 10th Jail Porter Corps, regarding the payment of arrear salary due to them are pending receipt of replies from the Commandants who were addressed in the matter.

The information furnished by the Commandant, regarding the complaint of S. Swamidoss, father of S. John, now serving as a sepoy in 1/88 Carnatic Infantry, that he is not getting monthly remittances and letters from his son, being incomplete, he was again addressed.

The application of Ganiah of Kodur, requesting that Relief may be granted to him as his son B. Swamidoss died in

in War service, is under enquiry of the Tahsildar of Rajampet.

I have the honour to be,

Sir,

The result of the enquiry in one of the three pending applications is that the deceased sepoy Mahammad Wazir, No.2010 of the Signal Service Depot, Wellington, died a ~~bat~~ bachelor. Reports from the Tahsildars in the other two cases are awaited.

3. No applications from disabled soldiers have

been received either for help or admission into the "Queen Mary's School, Bombay," although the scheme has been given wide publicity.

4. The following resolution of the Committee passed at its last meeting held on 1st. March, 1920, has been communicated to Revenue Divisional Officers, and Tahsildars for necessary action, and they have been instructed to make enquiries during their tours.

The deceased in one of the two cases classified under ^{grade} ~~case~~ II being an officer, an additional amount of Rs.50/- is included in the amount now applied for.

7. Eight more cases for investigation have been received in the second fortnight of the last month and have been referred to Tahsildars concerned for enquiry and report. I shall apply for further funds

Divisional Recruiting officer, Bangalore, in respect of
discharged and demobilised men have been forwarded to the
Divisional soldiers' Committees for necessary action.

for a forest guard's post and a peon's post respectively.
The former has been promised a suitable post when a

vacancy occurs while the latter has been appointed as a peon on Rs. 7/-

report for March 1920. Replies were due from 7 collectors and they were reminded on 4.6.20. Reports are still due from 4 Collectors.

4 From a summary of the report for ~~March~~^{May} April 1920 tabulated at flag (R) it will be seen that there have not been any very special activities of the District Soldiers Committees during the month. In some districts no meeting have been held subsequent to March 1920 while the collector of ~~Madras~~^{Ramnad} stated that "for the present there is no further scope for the activities of the District Soldiers Committee". It is however observed that the interest evinced by D. Officers on behalf of soldiers is being kept up. These matters have been alluded to in the report for March - April 1920 ^{- paras: 1-3 on p. 27 flag (15) -} and it does not appear that any reiteration is necessary.

5. Please see page 46 of portion marked R. The collector of South Kanara enquires whether the cases of individuals who have been selected and appointed ~~and~~ but who do not join the posts before the submission of the

monthly reports can be included under the head 'Successful'. The intention seems to be that such applications should be regarded as successful.
