Dear Sir,

In reply to your letter of April 30th,
I am glad to express the highest opinion of the
character and fitness for mission work of Dr. Katherine
B. Scott, concerning whom you write me.

I had no opportunity to discuss with
Dr. Scott her attitude towards British rule, but
have no reason whatever to doubt that she will
display loyalty and discretion in this direction.

Very truly yours,

My dear Sir:-

In reply to your letter of the 30th of April I would say that Dr. Katherine B. Scott is a medical colleague and intimate friend of mine. She is a woman of mature years and sound judgement. She has lived in Madua as a medical missionary under and American Board. She now intends to teach in a Medical School in Vellore which is maintained by a joint society of British and American Boards. She would make a useful and exemplary citizen in any community.

Very truly,

(signed) Alice H. Bigelow, M.D.

Dear Sir,

During the past year I have lived in the same house with Dr. Katherine B. Scott and can say the whole house has enjoyed her exceedingly much. She is always in good happy spirits, and is a careful, efficient member of the community. She shows the discretion of her profession to a marked degree, and as she was complied for a year with rules of a community dormitory life, in happy cooperation, I am assured she will in like manner be loyal to the British rule in India. She has great appreciation for what is being done for India by Britain.

Yours very truly,

(Signed) Mary Evelyn Wells
