Sir,

Adverting to Government memorandum No. 164 Rev
(Spl) Department dated 11-4-19 calling for a monthly report
about the activities of the District Soldier's Committee, I
have the honour to report that only one application for land
was received during the month and sent to the Tahsildar of
Hindupur for submitting proposals. Of the 6 applications
pending at the close of the previous month, replies were -
received from in 2 old cases, in one of which the applicant
was directed to submit his discharge certificate and in the
other, further information has been called for. Applications
for employment were received from 3 individuals during the
month under report, one applying for a forest guard's post,
another for an employment in the Collectorate and a third

third for employment in the Hindupur Taluk. The application in the first case was forwarded to the District Forest Officer with instructions to appoint the applicant, if there was any vacancy. The second applicant was appointed as an attender in my office but has not yet reported himself for duty, and the third applicant was appointed as a peon in the Hindupur Municipality. I have already reported that there would be no objection to the payment of pensions quarterly to pensioners of the Indian Army in advance. Five statements appended to Government letter No. 52 dated 2-2-20 to the Indian Soldier's Board are enclosed.

I have the honour to,
Sir,

Your Most Obedient Servant,

Minutes of Proceedings of the North Arcot District Soldiers' Committee passed at its meeting held on 29th May 1920.

I. Read letter No. 100 from the Government of Madras Revenue Special-War Department dated the 27th February 1920 enclosing summary of the chief work done by the Madras Soldiers' Board and by District Soldiers' Committees in this Presidency during the month of January February 1920.

II. Read: Letter No. 139 from the Government of Madras Revenue Special War - Department dated the 29th March 1920 enclosing summary of the chief work done by the Madras Soldiers' Board and by District Soldiers' Committees in this Presidency during the month of February-March 1920.

Recorded.
Any non officials who are willing to perform the task will be appointed as Correspondent Members.

H.M. Hood,
President.

Copy communicated to Presidents of Soldiers' Sub Committees Tahsildars and Deputy Tahsildars of Arni and Mupram for information.

2. Lists of serving soldiers in each Taluk so far as information has been received from the Military authorities are being communicated to the Tahsildars and Deputy Tahsildars separately. The No. of such soldiers in each Taluk is noted in the margin. In most of the cases, the exact places of residence of the soldiers are not noted, but only the name the village or town is given and in a place like Vellore where there are a majority of them, it will be very difficult for the Tahsildar to find out the individuals. It will therefore be necessary to appoint "Correspondent Members" who will take a personal interest in the soldiers in their neighbourhood. The views of Government on the point of appointing "Correspondent Members" were already communicated with this office Loc. 53/S.C. of 1920 dated 15th May 1920. All Tahsildars and the Deputy

Tahsildar of Arni are therefore requested to find out whether any Non-Officials preferably discharged soldiers of rank, are willing to take up this duty and if so to report the names at an early date.

2. Employment for discharged soldiers.

The names of all discharged men with certificates of recommendation have been communicated to all the heads of the Local Departments, and in some cases to the members of the District Soldiers' Committee also with a request to provide the men with some employment suitable to them. The Sub Registrar, Bellary has appointed one

one G. Venkataswami a demobilised sepoy of the 83rd Regiment, Madras as night watchman of his office. The Farm Manager, Bantanahal has promised to employ three demobilised men permanently on daily wages. These men have been advised to apply to the Farm Manager for appointments. Note of Proceedings of the District Soldiers Committee

Dated 29th May 1920

Present:-Divisional Officers

All the Tahsildars
 President, District Board.
 President, Taluk Board, Saidapet
 President, Taluk Board, Chingleput
 S.A.K. Jilani Sahib Bahadur
 Rao Sahib A.R. Aruliah Naidu Garu
 Dewan Bahadur C. Arunachala Mudaliar

1. The importance of the card index system and the registers subsidiary to them is explained and all officers asked to expedite their completion.

2. Post Bellum Relief:-Whereas the Collector's Office shows some 100 cases pending enquiry, the Tahsildars say that they have none pending except 12 or 13 in Saidapet. The Collector will have a consolidated list of pending cases sent out taluk-war at once.

3. Land grants:-Pending applications should be reported on without delay. Non-combatants are not entitled to such grants and were never promised land except in a few individual cases when the land was given immediately. Other non-combatants may have deduced from this that there was a general promise. In entering land available for grant in the register of available lands, great care must be taken not to include tank bed lands liable to submersion; lands necessary for village communal purposes and lands set apart for grazing which cannot be safely reduced. From 20 to 50 acres grazing ground is an irreducible minimum according to the size of the village, not so much for real grazing as for standing and walking ground especially during the rains. The first grant of the lands should be under a preliminary patta during which time the land remains Government land and encroachment by other people can be dealt with under the Land Encroachment Act. All such grants should be entered in the register of special grants of land and the permanent army patta should be granted at the following jamabandi after the grantee has entered into possession and

cultivated the land. In the case of grants from forest reserve, the land will not be disafforested for the grant *present* and the patta given must be in the form of Forest pattas. These grants will be made through the District Forest Officer and copy sent to the Tahsildar for information only and record in his special grant register.

4. Corresponding Members:--The proposal is explained in detail and approved. It is pointed out that a list of the soldiers in the charge of each private member should be distributed together with copies of instructions and of what may be done for ex-soldiers .e.g., in the way of grants of lands loans for wells (Land Improvement Act); education of orphans vacancies for employment etc., This will be done.

5. Monthly meetings. Members request that quarterly meetings only should be 'de rigueur'. Monthly meetings with little or nothing to be done give an air of ridicule to the work.

To The Secretary to Government,

Sir, Madras.

With reference to para 3 of G.O. No. 164 Rev. Spl. (War), dated 11th April 1919, I have the honour to submit the following report on the activities of District Soldiers Committee for the period May-June 1920.

2. District Records of War Services:

Registers of serving, discharged and de-
ceased sepoys are maintained in all taluks.

3. Grant of land to sepoys:

43 applications were pending at the beginning
of

of the month and 7 have been received during the month making up the total to 50. Out of these 12 have been disposed of during the month and 38 are pending. Out of the cases disposed of in the month, land was assigned to the extent of 14 acres in two cases.

While two were rejected for the reason that the applicants applied for objectionable Poramboke lands, six were transferred to Tahsildars for disposal under darkhast rules as the applicants were not eligible for the darkhast concessions sanctioned by Government; one was asked to select lands in his own or *neighbouring* village and apply with his discharge certificate; another was asked to write to his son to send his application through the Commanding Officer under whom he is serving.

4. Employment of Ex-army men:

17 applications were pending at the beginning of the month and 6 have been received during the month thus making up the total to 23. Two applicants have been appointed as peons in my office, one as a peon in Royachoti taluk office, another as a peon in the Salt Abkari Department. 5 applications have been recorded for the reason that the applicants did not take up the appointments offered to them. A late Army Signaller had applied for a clerk's post in my office, but his request was not complied with as he was an unpassed man. The remaining 13 applications are pending, 3 having been referred to the Divisional Officer, Rajampet, for providing ^{the} applicants with peons' posts, 3 to Divisional Officer, Royachoti, 2 to District Superintendent of Police, Cuddapah, for Police Constables' posts, 1 to the District Forest Officer, South Cuddapah, for appointment as a Forest Guard and another to the District Judge for a Process peon's post; 3 are under correspondence.

5. Educational concessions to children:

The certificate for educational concessions required

was

was granted to the son of the deceased sepoy Ghouse Khan of Chinnamandem.

6. No applications have been received from disabled sepoys for admission into Queen Mary's Technical Institute, Bombay.

7. No cases of any landed proprietors in the district having granted any concessions to his tenants who served in the War have come to my notice.

8. Post Bellum Relief:

The District Soldiers Committee decided to grant Relief in three more cases to an amount of Rs. 750/-. The Government have been addressed for sanctioning the above sum from the Imperial Indian Relief Fund.

9. Out of 5 applications regarding the payment of arrear salary due to several porters of 10th Jail Porter Corps, only one is pending receipt of reply from the Commandant. In other cases the Commandants have remitted the amounts to this office which are being sent to the parties concerned.

Office of the Collector,

Station Nellore,

Date 7th June 1920

From

A. Galletti Esq., I.C.S.,

Collector, Nellore.

The Secretary to the

Madras Soldiers' Board,

Madras.

Sir,

With reference to paragraph 3 of Government Order

No. 164 Revenue (Special-War), dated 11th April 1919, I have the honour to enclose for the information of Madras Soldiers' Board, a copy of the Proceedings of the Nellore District Soldiers' Committee at its meeting held on the 29th May 1920.

2. No disabled soldier has been sent from this district to the Queen Mary's Technical school, Bombay till now.

3. No information has been received from the Raja of Venkatagiri regarding further concessions, if any, granted to the tenants of his Estate, who have enrolled themselves for war services.

4. Two cases for the grant of Post Bellum relief are still pending investigation.

5. The 5 statements called for in G.O.No.52 Revenue (Special- war) dated 2nd February 1920 are enclosed.

6. Recruitment from this district was so small that there is very little for the Soldiers' Board to do. As a matter of fact the Board as such has been doing nothing, and its individual members, not being officials, have been doing nothing, and its meetings are useless. I am accordingly, in order to enable the individual members to do something if they want to, having the list of men with all available information about them printed up and distributed to each member; and I doubt whether it will be worth while to call another meeting. I shall take care when on tour to inspect the taluk registers and ascertain what the taluk officers are doing. There is sufficient land reserved in the Kovur taluk alone to provide for all the men from this district and I so inform any sepoy who comes to me; however they usually do not want land outside their own village.

I have the honour to be,

Sir,

Your most obedient Servant,

File of Reports from Collectors

Except the Collectors of South Arcot, Kurnool, the Nilgiris, Ramnad and Tanjore others have sent in their Reports of District Soldiers Committees in their districts.

2 A consolidated statement containing information regarding the number of applications for land for employment and for educational concessions etc is put up at flag.

② Many of the reports do not contain full information on the subject.

3 Please see para 3 of notes in form 185 d 20-5-20, para 5 of the report for March 1920 and para 3 of note in form 217 d 29-6-20. Report is still due from Malabar and the collector has been reminded.

Soldiers Committee during the month. In some districts - Chittoor p 25 ct and Trichinopoly p 72 ct - no meetings have been held during the month. The collector of Tanjore reports that there were no special activities of the committee in May while the collector of Nellore considers that as recruitment from his district was small there is very little for the Soldiers Board to do. In this connection attention is invited to para 4 notes to Govt 185 dated 20-5-20. It is for consideration whether it will not suffice if quarterly reports are sent to the Indian Soldiers Board instead of monthly ones.
