DESPATCHED
28 JUL 1920

In my letter No. F 12 dated 8th March 1920, I informed government that the Secretary of my District Soldiers' Committee had addressed a circular to Officers Commanding different regiments asking them for lists of discharged, surviving and other soldiers. These lists are nearly complete, and a register has been opened for surviving and discharged soldiers and a card index is maintained. In the G.O. referred to above Government desire that the card itself should bear the particulars

as regards the soldier's name, unit rank etc. As I have already compiled a register containing these particulars I do not propose to have them copied out again on to the cards.

2. As regards the remarks which it is suggested should be recorded ^{on} the back of the cards, I have already informed Government in my letter of the 8th March referred to above, that it is impossible for the Madras Soldiers' Committee to get into touch with all the discharged soldiers. This being so, it is equally impossible for the Committee to collect particulars regarding the occupation of soldiers before and after discharge and the present circumstances of the dependants of surviving soldiers. Where possible, these particulars will be filled in but I cannot guarantee that this will be done in every case.

I have the honour to be,
Sir,
Your most obedient servant,

A. Tottenham
