The Inamdars claim the whole of the Pettai as their Poramboke Inam as much as the owners of houses in the Pettai have been paying rents to them for a long time, & as the whole of the lands in the Pettai are their own — The Topes appear to be in their own enjoyment — They state that a portion of the Waste in the Pettai was fully assessed 15 years ago & claim that portion also — I have rejected this claim —

As to the Inam right to the whole of the Pettai, they say that they have Original Documents to produce They are told to produce them and pending their production to be placed under attachment —

F.R. 22/3/69

23/12/70

From the Sub Collector Letters dated enclosed in the letter from the Collector of Chingleput dated 3rd Feb 1872 No 52 it appears that the Pettai were produced no document entitling the confirmation of any portion of the land as Inam except the 4-43 cawes mentioned at Rs. 13-1 which may appear to have enjoyed for upwards of twenty years without question — ordered accordingly that the Rents Rs 4-43 cawes be confirmed as Inam on Inamdars title under Rule [illegible] clause 2.
