The validity of the grant is established. This village was originally held in 5 shares by the 5 grandsons of the grantee; in 1828, 4 of the share holders sold their portions to the son of the 4th grandson for Rs 840, to meet the demands of creditors. The registry was made in the names of the emblatated share-holders in 1835 & 1852. The deed of sale in support of this grant & the acquisition was produced before me (stamped paper). The present holders have proved their titles & I accordingly recommend the confirmation of the Shrotriyam to them on a new T. D. of (Rs 14) Rupees Confirmed. Quit Rent (73) Rupees — assessed. T. D.
