The circumstances of this Shrotriem village are as follows as described in the letter of the Board of Revenue to Govt. 2nd Jany 1823 — "It appeared the Assistant "Collector discovered that the village of "Mulapattu and a small tract of Nanjah land "in the neighbourhood of Kanchipuram which had been granted "by the Mahratta Govt. as an official [illegible] to the "Kamavisdar of Kanchipuram which was not resumed "by the British Govt. at the time of the abolition of that office "continued to be held by certain female descendants "of the last incumbent" and he "recommended that "the females in possession who are the mother & widow of "the last male survivor should remain in possession of "the land as heretofore on payment of a small sum "(5 Pagodas) & that on the death of the survivor of the "two the land should be resumed by Govt."

This arrangement was sanctioned by Govt. in their letter to the Board dated 3rd Novr. 1823 — the amount of Jodi has been regularly paid to the Shrotriem — ... by the parties in Col. 16, to whom by the ... of Govt. the village was confirmed on restricted tenure. The last of the docts quoted in Col. 12 shows that the grant is of very old origin. No allusion to the Kamavisdar service is made in it, altho' by the correspondence which took place with Govt. on the death of the last male heir ~~Dada Rao~~ Abaji Rao son of Dada Rao, it was made to appear as a service grant. The village on the whole possesses very limited resources & is barely sufficient for the maintenance of the incumbents. The Inam was not confirmed — The present holders are willing to commute their holding ~~[illegible]~~ by paying annually for a. [illegible] Rs 5 - " - " combined Quit Rent Rs 6 - 8 - " & I beg to recommend that it may be confirmed to them accordingly as a free-hold under Clause 1 Sec: XI of the Rules —

Source of Receipts.

1. Payal of 3 months.

Tahsildar's Arzi dated 1st September 1869.

If the Title deeds are not forthcoming in the Office after due search, fresh Title deeds must be issued. There is no reason to believe that they ever reached the Inamdars. Any confusion that has occurred has occurred here & the Inamdars must not be prejudiced thereby. The former Title deeds would require at any rate to be cancelled.

The new Title deeds to be prepared are in accordance with the order to give up the waste Inams of the village to the Shrotriemdar on 2/3rds Assessment.
