 front of the city the performance of the water in
 the the water the performance of the water

In a word to say that however the contents of the
 enclosed paper or two or whether were having certain com-
 munes from the property of the place, which they were a claim
 as tribute to the King of Siam. During the existence of the King
 they were prohibited leaving the town, but on account of the
 fiscal situation in that country, since the abolition of the King
 they received the King of the town and their own account of the same or
 Collocation for the town was during a period of the town during which the abolition
 of the town was that seems to have been referred to have a claim that the matter
 first might be shown to have a claim in the case have been shown by the King or the country.
