This Inam appears neither in the Inam in the Collectorate nor in the Register furnished for my guidance from the Central office — From before the Pymash no Pagoda except the Pagoda — I have on that ground think it appears in Order 2 of the 1st Rule and 2nd Clause proposed on 4th July 1861 by the Commissioner —

As no English Deputy seems to have been to Central office I leave the Case on this Report & recommend that the Inam may be fully assessed

former is rented annually for a fixed sum of Rs 26-8-0, & on that account I found it the same by the latter.
