is however unwilling Sappala Devar to have it treated as a personal grant & presses that it was for the Mathum — and I would under the circumstances continue it as such — 27th Oct. 1860 Mhadeswara Pillai Dy Coll.

Case No 4

The alleged sale in 1858 of 3 Kanees is very ~~doubtful~~ — No 3 to 7 do not enjoy under the Sale — no sale was mentioned in a Lapse Report made by the deceased Munsiff in 1860 while he appears to be one of the attesting witnesses to the deed of sale. The [illegible] is absent & hence personally seen & so he can not be examined as to the execution of the sale of the P. 42 of 1865. Vide Tahsildar's Arzee 30th July 1866 No 221 — XXX

Case 4 XXX

The probability is that No 3 to 7 hold under mortgage only and so I would confer the Inam to No 1 & 2 only leaving No 3 to 7 to establish their right — if any — before the Courts.

F.S.C. 20/9/66

The Title Deed No 1225 will be amended accordingly & the T.D. No 1226 cancelled. Fee received accordingly.

This is clearly a Mathum Manium, the accounts do not [illegible] but a Mathum with its usual appendage a small temple is mentioned which is generally understood as the Mathum in the Inam — but the Mathum is one of the [illegible] over whose maintenance [illegible] cannot be effectually enforced. The Inam should be confirmed in one [illegible] [illegible] proceeds — 25th Nov 1860 — Mhadeswara Pillai Dy Coll.
