I gave a months time for the Institution being restored at the earnest request of the Village Community —
The Pagoda has since been restored & the usual Puja resumed —
I would therefore recommend that the Inam may be confirmed free in one T-C so long as the Pagoda exists —
T.K.
26/2/69

This Inam appears in Case 5 of the former D R to have been fully assessed for want of Puja by Mr Ramachandra Rao on 27 June 1861 — But it does not appear either in A or in B statement furnished to me from the Central office — Hence I believe that no English R was sent to that office for the Case by A-R —
When in Conjeveram last year I placed the Inam under attachment tho' it was lying immemorial waste —

I have since learnt that these two Pagodas though built have not yet been sanctified by Kumbhabishekam & that no Puja resumed as yet —
The Carnam and others of the Village assure me now that the Kumbhabishekam is to take place on the 30th May 1869 — within 10 days from this date & that the Puja will be resumed —
Tahsildar is therefore desired to report in time whether the Puja has been resumed or not —
