Thandalam
 Pillayar
 Manager for the
 Hindu temple
 Nallattambi
 Muddala ari. 60

The Hindu does not find
 place in the English
 main register. The
 village and the
 village officer state
 that the land is being
 engaged on a lease
 rent-free for a long
 time, that the proceeds
 are being utilized toward
 the service of the temple.
 That they do not know
 who Kengadara Gurukul
 was, and that the
 temple is being managed
 now for the last 40 years
 by the individual in
 Cal. Based before him
 by his father. Their
 statement are correct.
 It is not known why
 the land has not been
 settled by the Indian
 Commission before.
 The statement of the
 village officer filed
 at the time of Indian
 settlement is not
 available, to give
 any clue on the matter.
 We are compelled to
 go the Pillayar so long
 as the service is
 regularly performed
