By exp[er]t att[est]
to the fact of the
genuine source of
the parchment
found by a Doctor
of the Univ[er]sity of
Oxford, Nov[ember]
1879, to be genuine
and of value in history
and science.

It has not yet been made
known to me but will be
soon called a religious relic
and placed in a case not
open to all, it may then be
the property of a private
person - I should be glad
