(3) 2 sons 2 Brothers
(4) 2 wife 2 Brothers 1 Son-in-law Children

This land is said to have been granted as a reward for the heroical performances of it is said to have been acquired by the forefathers of the present holders who are related to each other as cousins. The deed referred to in Col 12 is in the name of the grand father of No. (1) This probably that the grant was made at this period & about it is better from expenses of so

Remarks: It is to be noted that the present holders are not in possession of the whole of the land granted by the deed but only of a portion of it. The remainder is in the possession of other persons who have purchased it from the original grantees. The present holders have also purchased some of the land from other persons.
