The Union appears to be a stationary family
being you have from the Central office as
cases - it is the 1st of 1869 is in line as
long as you are in the ground that
as you are observed from more than 50
years that the Palmyra is a de la facta
Union

The old Palmyra is still in the same
condition. But the Village Community
is collecting materials for building
a new Palmyra. The Palmyra is being
however observed

Under these circumstances and
being that the Union the interest in
I have has not so far been any way
interfered with on the part of you
I would in the interests of the Village
Community recommend that the Union
may be confirmed from on on 1st 1869

Sanctity
