~~The Cowle is the authoritative record of the Inam settlement according to which 3 Kawnies were settled as personal by Mr Ramachandra Rao — There has remained 1 Kawny of Nadappu Inam unsettled, which I bring on this Register as personal.~~

~~The Inam is enjoyed by the holders of 13 ½ shares in the Village only — while the holders of the other Half of the Village have no interest in the Inam — This the parties say is indicative of the personal feature — The Inam was given it seems to two families of which N 1 to 6 are members —~~

~~No 7 enjoys a share in the Inam because he purchased it with Syen share from a member of one of the two families & because as a matter of Choice & necessity between the purchaser & seller the latter agreed to sell his Inam also — The same party N 7 has another 3/27 share in the Village for which there is no Inam because he purchased it from one of the Merasidars having no Inam —~~

~~There are Sukhavasee Pattadars holding 6 Pan Pattas N 12 to 17 —~~
