Genl. Remark – This Village was transferred from North Arcot 20 years ago. [illegible] that the accounts prior to that year than Fusli 1231 are not forthcoming. It appears from the [illegible] that the Inams existed long before that date. [illegible] The Surveys of 10 years from Fusli [illegible] to F.1250 are likewise shown [illegible]. It is probable therefore that the entries regarding Inams were copied from the accounts of former years, & acting upon this supposition, I have treated the cases as permits of 50 years old.
