The Inamdars termed Madad-mash or subsistence [illegible] & no allusion is made either to a Mosque or Pirzal (Mohammedan) which are mentioned in the Sanads & other accounts — It is a fact however that the Inamdars have always kept a Mosque [illegible] and as they say appropriated the proceeds of the Inam mostly to religious purposes. They say they have looked on the grant as one intended for religious purposes [illegible]
