The founder of the Village was one Lakshmana Nayagan - This Inam fell to the share of the present holder as one of his descendants - with the whole Mesnage Village on a Quarter of the family Property - It can not be that Inamdar in this case - should not separate a share from the Mesnage &c as a Swamy Inam - For, the same founder has another Inam in Kola Maranatheri granted him for having founded that Village - This enjoyed 2/3 by his descendants & 1/3 by an Inamdar to whom the 1/3 was sold with a 1/3 share in the Village not as a matter of right but as one of private negotiation - The personal character of the Inam being existent, it is transferred to the Sale Deed.

To be confirmed on one V. Q. = 2-8-0 & 1/8 Rent = as rent -
