Q. That
 Lockman & Sever & Co have
 the former registered in 1840 was
 not, as ~~has~~ stated in the reports the
 grant's grandson - He was an agent
 in temporary possession of the mine &
 I believe got registered as second one of the
 grant's - the matter was afterwards litigated
 & the Lockman family abandoned all
 claim to the mine receiving in as free
gift a portion of the same - those facts
 are now fully admitted by Lockman
 there was a transaction there by 2^d
 secured by Deed confirmed in two
 gift from them Deed - 2^d from 1st to
 by 1st as admitted at 4th & 5th & agreed to
 by them 2 years ago - Do for No 2 at 4th & 5th & confirmed
 at 4th -
 26th August 1841
