In Feb'y 1837 the cause
of the cause of Rheuma
over the Parapharynx
is explained in the
case usually known as
Stethic. I have a patient
of the same kind -
His case is more
than been printed of
by *Journal de Médecine*
et de Chirurgie in the year 1836
This is a flower, pink
to be compared to
the *Opodea* & larger
the same is *Opodea* & larger
the same is *Opodea* & larger

10/6. Schimachendörfer
is the confinement to
the papers in the
as the day
front is prepared.
The proceeds of the
have all also been
apportioned to the
same.
