Correction (4) from in the page of Annadatha Case

B. Robinson
Inám Commissioner.

The Inam in the following Case does not appear in A or B Statements received from the Central office - It has not been any way interfered with on the part of Govt - but in the enjoyment of the Takkiz People - The Inam in Case 3 Sheekarana Kam held for the support of the same Takkiz was confirmed under F.C. No 242 - But the parties complain that no F.C. for the following Inam has yet been received - The Inam in question appears to have been recommended for confirmation by Mr Thadaiyam Pillay as the F.C. Register shows - Under these circumstances, I presume that the same mistake or other, no [illegible] English Engt was received in the Central office - I therefore bring it under Settlement -

The Persian Parwanah in Coll 12 this produced cannot be clear to me as I do not know that Tongue — But from the Collrs order in Coll 12 which mentions the Inam to Mahomed Fakeer, and from another Inam in Acchara granted under the same Parwana =pa Kanna having been Conf 2 as Mosque Inam, I treat it as Dandayem —

The Parwanah is stated to grant 2 Kaunies of wet in this Fasly & 2 Kaunies of Dry in Acchavarakam —

The Carnum & Tenadars say that the grant was made by Sultan Hanny which was [illegible] of larger dimensions — At any rate 8 K are entered in Jarapaddy —

To be confirmed free in one F. D so long as the Mosque exists —
