This Pdt Parada is situate in the Grama Mattam & forms in fact one Piece of Nanjah land with the ground without any houses ever built —

The Inamdars are members of the Ramanuja family — they say that during the Fasli settlement which succeeded the Zamindary or in July 1867 the Parada was allowed — Whether it was to allowed as an emolument of the Carnam's office, or from personal consideration, is not clear — The Inamdars say that it was not intended as office Emolument & in proof point out to a Gaki statement lately sent to Huzur ex F. of the Emoluments of Village officers in which this Parada is not entered — There is nothing on record to show under what Circumstances the Parada was granted or allowed — It is however clear that should there be a change of incumbency, the Parada can not, like the Carnam's Inams, & lands, be transferred to the office-holder appointed out of the family —

I recommend that the Parada continued as it is with Fasli dues produce, may be confirmed in one F. D on Pattah Compulsory — As 12 —
