It is explained that Jamulla Fakir mentioned all along in the Account of Barnard &c is an error; that the said Fakir had Manyams elsewhere in the neighbouring villages & that some accident was the cause of the mistake in favour of Jamulla Fakir — whose descendants ~~as~~ holding Inams elsewhere disclaim any interest in the Inam now under consideration. Besides the Inam Register of 1810 shows the correct name & the subsequent error is I consider satisfactorily ~~acco~~ explained away. To be confirmed accordingly to the incumbents in one Deed. 1. Rent at 4th Anas 6 — Agreed to 14th August 1860 M. Sadasiva Pillai Dy Coll.		No 183 confirmed

Of descendants of Jamullafakirs ~~[illegible]~~ having been first erroneously entered instead of those of Mahasamsha have been struck out & the right names entered in Red ink.
