No 1 to 8 wish that the Tope may be conf'd to the Village Community

(Note) — The entry of this Tope in Tymaal as Varaffaty was an error — From Book A it is held Jaree by Maamul —

To be conf'd in one Jt Deed as per 1/8 acts (1) agreed to

J.K 12/5/68

The Pagoda claims that The Tope in the enjoyt of The Weaver's Community should be treated as the Pagoda Tope — They say that it is included in the 20 Kanis measured at Varaffady as 3 Topes and The result of the Examination of the Accounts & of the Enquiry shows that this Tope is distinct from the three Topes in Varaffady & that it was entered in Cowle as a 4th Tope — this Tope would not have been classed as Varaffady in Tymaal if it were one of the 3 Pagoda Topes — Since it has been so classed in Cowle as per Tymaal & no claim of the Pagoda in the Kind was heard in any account, I have rejected the claim of the Pagoda — J.K

This was a Tope originally as per Varaffady & Cowle — it has since been a Manor Jenmam Sete.

This Enam was part of the Enam in Cases 6 & 7 of the former Jt Deed having been omitted therefrom by right. I have brought it as a separate Sete — There is also in a Letter Compn from to Correct the Register & J. Deed & Sanad — Compd & Sent —
