 correct
 in 1810

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, possibly due to age or handling. The left edge of the page shows the binding structure, including the stitching and the inner cover material. The overall tone is warm and slightly yellowed, characteristic of old paper.

The people want to
have a big open
land in front
