The remainder was held by the Pranter for a term of 11 years & 6 months when it sold shares in the Talug & it sold a share in the Enam appertaining the remainder to the Eyen landowners the Parcars for the 1-4- of which land had no shares in the Eyen Lands — The Enam was equally purchased with the regulated share in Enam Eyen shares — of the Eastern gifted Rs. 11-4 have been usurped by some of the present Maravandars who enjoy besides their regulated share in the remaining Enam of 10-12- 9-.

The following 4 Cases have been settled by Mr Sadasevam Pillay — But no Deed was received for them — The Enams do not appear in A or B Statements furnished to me from Central Office — I believe that the Dy Collr who settled on the 4 Rs failed to send the English Regr to the Central office & the General Enams remain up to this time unsettled with — I therefore extract them below from the 4 Pers adding only the name of the field — My additions are in Parenthesis
