There is another Ner Enam in this
Village which is connected with
measures for which I have re-
commended a free hold T.C.
This Enam was given to the
founder of the Village who was
a Sudra - It was then called
Kanny Enam - He succeeded for
long time & then a Raja gave the
Village to a Bramin from whom
it is in Col 6 are descended
changing the name Kanny into Gaja
- ^{returning} ~~being~~ Kanny Enam and a Gaja
man Enam save that the one was
given to a Sudra & the other to a
Bramin, & the latter was
clearly changed by the Raja
who made a personal

connections of fine
