Village Arsur No. 19 Poonamalee Taluq

Regr. No. 141

The area of the Pymaish of F 1235 is adopted in this settlement whether it is larger or smaller than the area shown in the Tarapadi account of F 1184. The difference is stated to have arisen from the adoption of 2 different rods at the 2 measurements. The only difference is drawn in measuring less than the aggregate area & even on this account the excess is not recognizable.

This is the Inam granted to the working ploughmen of the Meerasidars originally [illegible] from a very long time; the Meerasidars themselves have been enjoying the Inam & the working men have disavowed before the Tahr. all personal interest in the Inam for themselves. The Tahr. recommends that the Inam may be confd. to the Meerasidars on 1/8 Q.R.

Strictly speaking the Inam is liable to resumption as the service is no longer necessary & the working men do not hold it.

But in consideration of the long enjoyt. of the Meerasidars, I would recommend the Confirmation of the Inam to them as a special case on 1/4 Q.R. R. 3 — T.R. 29-1-70

But [illegible] the Parayars or Padials get seed grain [illegible] from the Meerasidars of the Village, cultivate the lands according to their instructions, and receive the Melwaram [illegible] produce in lieu of their wages or Padi. This they did subsequently on the 16th November 1871 and the Tahsildar now reports the result of the enquiry which shows that the Inamdars were unable to file the Statement within the required time owing to the absence of Some of the larger Share holders at Madras and elsewhere, I now recommend that the Inam be confirmed in one title deed subject to ⅛ quit Rent of Rupees „ annas 14-. the Inamdars having agreed to the enfranchisement of the Same. The mean proceeds of the Inam from fusly 1269 to 1284 both inclusive amount to Rs 39-10-„ and are held in deposit. The amount will be carried to the credit of Government if not ordered to the contrary. |
