This ^{nam} appears to have been granted for the service of ^{Confined} ~~plying~~ ^{conducting} ~~the~~ boats. Though there is nothing in Book in support of this, I learn from enquiry that the service has been rendered long before the Pymack; ^{700.} ^{7000, 2080}

I would recommend therefore that it be confirmed free in one Little Deer as long as this service is performed.

I signed Mirumarsadin
Tahsildar.
