The Register sent for time immemorial & books produced.

This Inam does not appear in the Register. The Karnavan states that this was granted to the Village, recorded in port. about F 1226, but has no book to prove the correct date. It is probable that the grant is of an older date than 500 years & the absence proof I would recommend the confirmation of the Inam to the Village godesses subject to 1/10 Rent in addition to Assessment.
