The length of the ridings are regulated by
a bank of 2 m. high, sloping east up to
Coast road. The ridings from
the falls of the river, where water
is said to be unavailable for irrigation.
Considering the means of irrigation and
the nature of the soil, and the aptness
of the soil for the growth of the
crops, the water is said to be
the best for the purpose - I am, Sir,
very respectfully,
Your obedient servant,
J. B. B. B.
