The People sent to
from their summer & visit teacher. The
Kauai State, that
which was formed a meeting
this village, nearest to
prob. about 7 or 80. But
there has no wish to leave
the current date. It is pos-
sible that the fault is from
an older date than 50 years.
In the absence however of docu-
mentary proof I would recommend
the confirmation of the main to the
village president as subject to go to the
in consultation of the
