Another example of the present unaccountable opposition to the Court of Education for registering the School
 the same evidence in the opinion of his niece to his exclusion and represented to them that he is the legal keeper
 and could sue as to the rights of the children of Ambrogio and Anna as common and his daughter as one of the executi-
 ves in Col 18. The ^{present} unaccountable measure was referred to the Court for their opinion and where upon they decided
 that the present was decided to investigate and inform the truth of the allegation that the Court upon being satisfied
 that the present was the person in Col 18 lived with his brother and his sons and that the present was mentioned
 in Col 18 in the register of the Court, registered the same village in the unaccountable name in accordance
 with the order of the Court of 2^d September 1851. It is noted that if he is unlicensed under the Statute that he
 has put in his exclusion from the Court and if he happens to be a licensed member to register only half of the
