The Survey number is entered in col 2, one entered in the B register and the B. M. number in front of the village as in one year told for the support of the District a
in these are some things to. They do not find a place in the District from register.
No title deed relating to the name is published nor is the transfer of the title able to
explain how he wants to enjoy the land as a person. Under the title of the District Commission
entered in the title of the District Commission 28-11-97, the land is now a land under the District
for one year and a notice was published in the District Gazette of 15-11-1907
in which any person who was claiming them as a land to appear before the District
Commission and establish his title to them within one year from that date. The notice
was published also in the village. No one having his title made any objection to him at the
the District Commission of the District about the land, it is recommended that they be returned
and fairly received.
