submitted
books.

The first entry accounts for the
in colts down to mention the
tenure of this estate as either as
free or copyhold ^{or} ~~and~~ the name
of its holders. But the Ch.
bureau tenure of this estate
is proved by the collection
register of 1878 and the being
the Permanent Court of Justice
which maintains the existence
of certain laws register register
this estate of 29" October 1878 management is lost
and the collection like other
Bo and a etc. is 13" April 1798
giving the same details
particulars of the names of
the greater and smaller
the estate and tenure in that of 1879.
This estate was then held
by the same owners and under the
the estate of this name
is through collection
established.

Debt in case of Ruin. $\frac{10}{170}$

This valley has no timber land or
Enough of 2 inches across the country
The soil of most lands is run on the
main line of Atchafalaya Springs depends
upon local rains. The irrigation of
all is said to be very scanty.
