1840 the time being

in letters from the
Dutch to the effect that a
boat was drawn up and
of 50 years old - The sea

A close-up photograph of a piece of aged, yellowed paper. The paper has a textured, slightly mottled appearance with some darker spots and a vertical crease or fold line running down the center. Faint, handwritten text in a cursive script is visible, particularly on the left side where the word "John" can be partially discerned. The overall tone is warm and historical.
